The Finch Group Debuts INNOVA, an All-Inclusive Community in Cleveland's Greater University Circle

April 07, 2015 02:02 PM Eastern Daylight Time

CLEVELAND--(EON: Enhanced Online News)--The concept for [INNOVA](#), [The Finch Group](#)'s new community in Cleveland, Ohio is to offer living spaces that enable busy residents to strike an easy balance between home life and their professional or educational pursuits. The [all-inclusive community](#) in Cleveland's Greater [University Circle](#) redefines luxury living.

INNOVA includes 177 [modern apartments](#) within a 400,000 square-foot 'all-inclusive,' pedestrian-friendly [community](#) with convenient onsite shopping and parking, a state-of-the-art fitness center, sky deck, resident lounge and exclusive 24-hour concierge service. The luxury residences also boast an [easy commute](#) to Cleveland's hospitals, colleges, cultural institutions and downtown businesses.

"The appeal of INNOVA is definitely its location and the richness of amenities it has to offer," said [Wes Finch](#), chairman of The Finch Group. "Our all-inclusive community is adjacent to the [Cleveland Clinic](#)'s main campus and close to [University Hospitals](#), [Case Western Reserve University](#), the [VA](#) and Cleveland's [museums](#) and cultural institutions. This region attracts some of the world's most talented people, and we were inspired to create a residence that would match that spirit—one to enable them to work hard and live easy."

"The colleges and institutions around University Circle are growing and, with them, the demand for upscale living. INNOVA offers the students, interns, residents, researchers, and others moving to the area a unique and enviable lifestyle."

According to [Blake Bendett](#), The Finch Group's executive vice president, INNOVA was named for the innovation that spurred the growth of the Greater University Circle area.

"Cleveland is on the rise," Bendett confirmed. "The colleges and institutions around University Circle are growing and, with them, the demand for upscale living. INNOVA offers the students, interns, residents, researchers, and others moving to the area a unique and enviable lifestyle." INNOVA consists of studio, one and two-bedroom [apartments](#) that range in size from 512 square feet to more than 1,100 square feet. Apartment [amenities](#) include granite countertops, Energy Star stainless steel appliances, Bosch in-suite washer/dryer, mobile device-controlled smart thermostat, plank flooring, carpeted bedrooms, functional windows and spacious closets.

In addition to the 24-hour concierge, services include a roving night security guard and HD video surveillance. The community is [LEED certified](#), pet friendly and smoke-free.

The apartments are now available for [lease](#) with move-in dates beginning in June 2015. Early demand for the apartments is strong.
